Experience the Miracle

### XTreme™

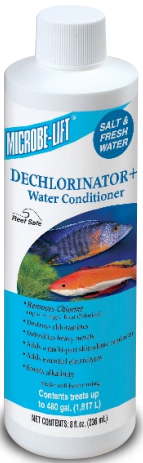

THE all-in- one water conditioner. This is a unique product technology focused on chlorine and toxicity removal. Removes chlorine and chloramines, permanently binds and detoxifies ammonia, detoxifies nitrite and heavy metals, adds electrolytes, adds a multi-part skin slime coat replacer.

### Aquatic Stress Relief

In addition to the benefits found in Dechlorinator Plus, Aquatic Stress Relief is specially formulated to protect your fish in times of stress. Works great when paired with ML Ammonia Remover. Contains Aloe.

**SALT & FRESH WATER**

### Dechlorinator Plus

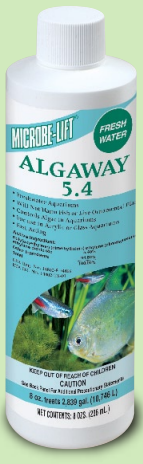

This isn't JUST a Dechlorinator. In addition to removing chlorine and chloramines, this conditioner also detoxifies heavy metals, adds a multi-part skin slime coat replacer and electrolytes.

### Ammonia Remover

When ammonia is the problem this product is the solution. Permanently and instantly binds and detoxifies ammonia. Removes chlorine and chloramines. Remains active in the water to continue to protect fish against rising ammonia. Works great when paired with Aquatic Stress Relief.

**FRESH WATER**

### Algaway 5.4

Stronger, more effective product for Algae elimination. Can be used with fish and live plants in fresh water systems. EPA Registered.

### Clarifier Plus Fresh

Quickly and safely clears water. Improves filter function.
